

Ryan Zorn Scholarship Application

Name: _____ Age: _____

Address: _____ Phone: _____

Parents/Guardians: _____

The Ryan Zorn Memorial Scholarship is a way to remember an important fallen hero from your hometown. Staff Sergeant Zorn was a humble, motivated individual who worked hard and helped others.

In your own words, please explain how you are involved in your community and how your motivation has helped others.

This scholarship is intended for students who may not have the financial resources to get the training or college they need after they finish high school. How would receiving the scholarship affect your choice in what type of career or vocation you pursue after high school?

Staff Sergeant Zorn was very involved in his school throughout the time he went to Upton high School. He was not only involved in sports; he was involved in choir, and speech and debate. Please tell us what types of extracurricular activities you are involved with, and how you contribute to your school.

Type of training or education you plan to receive if you are selected to receive this scholarship:

The final two pieces of information needed for consideration are:

- A letter of recommendation from a community member, teacher, or employer telling us about your character, your motivation, and your involvement in the community.
- A copy of your high school transcripts. Please note that having perfect grades is not essential to receiving this scholarship. We encourage all students to apply, whether they are A/B students or B/C students.

Please view the Ryan Zorn Memorial Scholarship website at www.zornscholarship.com to get more information about Mr. Zorn and about the scholarship itself.

The award notification will be made during the senior awards night. You will not receive cash directly. It will be paid to whatever institution you will attend. You will need to decide where you would like to attend by August 1, 2012. Thank you for taking the time to remember a fallen hero!
