**POLICY**

**Board Review of Administrative Regulations**

The superintendent will write and promulgate administrative regulations to implement board policy and present them to the board for its approval or amendment.

The board reserves the right to review administrative regulations at its discretion, but it will review or veto regulations only when, in the board's judgment, they are inconsistent with policies adopted by the board.

Administrative regulations need not be reviewed by the board in advance of issuance except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the board's advance approval.

Officially approved regulations will be included as part of the appropriate board policy.
