

SCHOOL BOARD GOVERNANCE AND OPERATIONS

CODE: BIBA
POLICY

CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the board encourages the participation of all members at appropriate school board conferences, workshops, and conventions. However, in order to control both the investments of time and funds necessary to implement this policy, the board establishes these principles and procedures for its guidance:

1. The board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the school district.
2. Funds for participation at such meetings will be budgeted on an annual basis. When funds are limited, the board will designate which of its members would be the most appropriate to participate at a given meeting.
3. Reimbursement to board members for their travel expenses will be in accordance with the travel expense policy.
4. When a conference, convention, or workshop is not attended by the full board, those who do participate will be requested to share information, recommendations, and materials acquired at the meeting.
