POLICY

EVALUATION OF SCHOOL BOARD/BOARD SELF-EVALUATION

Annually the board will plan for and carry through an appraisal of its functioning as a board. This appraisal may be based on a broad realm of relationships and activities or may be focused upon a particular activity or area.

The appraisal plan will be developed by the board chairperson and an ad hoc board committee appointed by the chairperson, working with the superintendent. Such instruments may be used as the committee considers desirable. Upon board approval, an outside consultant may develop and lead the appraisal session or sessions. The committee may elect and develop any other form of evaluation it determines appropriate.
