

**FISCAL MANAGEMENT**

**CODE: DEB/DEC**  
**POLICY**

**FUNDS FROM STATE AND FEDERAL SOURCES**

In order to offer the best educational opportunities for children of the district, the board will seek as many sources of revenue as possible to supplement the funds provided through local taxation and the state foundation program.

The board authorizes the superintendent to execute and file applications for the school district and to act as its authorized representative in matters concerning state and federally funded programs.

All proposals for state and federal aid and special grants must be submitted to the board for approval prior to final submission to the state and federal agency.
