

FISCAL MANAGEMENT

CODE: DGA
POLICY

AUTHORIZED SIGNATURES

All warrants and checks drawn on the district's treasury will bear the signature of the board treasurer or clerk and board chairperson, or their designee, except the checks drawn on the working fund account. This account may bear two signatures, that of the superintendent, business manager or principal, instead of the above listed officers of the board.

The board authorizes uses of facsimile signatures of these board members. In accordance with Wyoming law, these facsimile signatures will be registered with the Secretary of State and all other precautions observed.
