FIRST AID AND SAFETY PROCEDURES

School personnel are responsible for giving first aid or emergency treatment in cases of sudden illness or injury to a student or member of the staff. Further medical attention to students is the responsibility of the parent or guardian.

Each principal is charged with seeing to the immediate care of ill or injured persons within his or her area of control. A school nurse or other qualified staff member may administer emergency aid.

Every school and every school vehicle used to transport students will be equipped with appropriate first aid equipment.

All employees are expected to be knowledgeable about first aid and to know where first aid supplies are kept in their work areas.

An accident report shall be filed with the principal in all cases of injury occurring under school jurisdiction.

Principals will ensure that student receive instruction in fire prevention and safety.

Fire extinguishers will be kept in each building and all district employees (instructional, operational, and cafeteria) will know where to find them and how to use them.
