POLICY

BUILDINGS/GROUNDS/PROPERTY MANAGEMENT

The board recognizes that the education of children is dependent upon many factors, including a proper physical environment, which is safe, clean, attractive, pleasant and functions smoothly.

The care, custody and safekeeping of all school property will be the general responsibility of the maintenance people under the direction of the building principal. It will be the building principal's responsibility to establish procedures and ensure the proper maintenance and safekeeping of school property. The principal, in conjunction with the maintenance people, will be responsible for the proper care and maintenance of the building, equipment, and grounds at each building. The building principal will also be responsible for supervising and evaluating the work of those assigned to his building.
