POLICY

STUDENT FEES, FINES AND CHARGES

The school shall not assess instructional fees. Books will be provided on a loan basis; no rental fees will be assessed for textbooks and workbooks used in the classroom or for reference.

Students participating in activities which are not required by the teacher or used in the determination of a grade may be required to pay charges covering the cost of the activity. These charges may include, but are not limited to, admission fees, food costs, and transportation costs on field trips. Costs of major projects in woods, crafts or industrial arts classes, when the items produced will be retained by the student, will be paid by the student. However, it is incumbent upon the teacher and principal to make every effort to be sure no student is denied the right to participate in trips or other enrichment activities because of lack of funds.

Pupils will be assessed fines for late return, lost, damaged, or defaced books, including library books, materials or equipment. The fines will be for the amount of the loss or for the actual replacement cost.

Fines for damage to school property shall be assessed at a reasonable rate, designed to restrain further damage.

All credits, report cards, and grades will be held until proper settlement of fines, bills, or assessments is rendered.
